OBJECTIVE

UX/UI designer and front end developer with a strong foundation in visual design, aiming to join a team of passionate problem solvers at an organization where I can dive right in and hit the ground running.

WORK EXPERIENCE

STARTUP INSTITUTE - Web Design Track

Oct. 2015 - Present

- Selected from a competitive applicant pool for this eight week immersive program. Startup Institute helps individuals to develop the skills, mindset, and network to be high-impact at a high-growth company.
- HTML + CSS, jQuery, Javascript, UX/UI design, Rapid ideation, Navigation and flow, and Typography.

RAMSEY MEDIAWORKS - Graphic Design Intern

May - Sept. 2015

- Worked with Creative Director and design team, actively contributed to both print and digital promotional materials for numerous clients with strict branding standards.
- Responsibilities included maintaining corporate identities while creating new, trend-setting designs, and creating and presenting UI mockups and print ready promotional materials.

CONVOY OF HOPE - Graphic Design Intern

June - August 2014

- Assisted the Creative Communications team in creating print and digital materials for the Convoy of Hope brand.
- Responsibilities included positively representing the Convoy of Hope brand, including its mission statement and core values, to all outside constituencies through design materials, and managing and completing multiple projects on strict deadlines.

FREELANCE - Graphic Designer

2012 - Present

- Responsibilities include conceptualizing and executing design, resolving proposals to client's satisfaction, and preparing and estimating rates.
- Present design work ranging from printed promotional materials, to logos, to package design, to small business owners such as Wheelhouse Street Fare, 7 Billion Ones, and McSalty's Pizza

AWARDS

OUTSTANDING GRADUATE - Graphic Design

2014-2015

- Exhibited outstanding technical ability and knowledge of design theory, as well as eagerness to learn, strong class attendance, and a willingness to contribute to class critiques and discussion.

PERSONAL TRAITS

- I am an artist by nature, constantly creating, passionate about all things design and front end development related, and an avid lifelong learner.
